JP Picks Up a Game; Joins KS at the Top

Big Story this Week is NF’s Two Successful Loner Picks!

Effective date: 2016-09-19

It was another solid showing by the PFVCC faithful for Week 2 of the NFL Season. Just shy of half of membership was in the double digits for Week 2. DP and JP were top dogs this week, each picking 11 winners. Well picked! KS maintained his footing at top of the mountain by snagging 10 winners this week, however, JP picked up a game on him and now sits with him at the top. What great company! MS and BS both had their second strong week in a row, doing their part to keep the early race to the top tight. Rounding out the rest of the top Week 2 performers were SR and DR, who also grabbed 10 winners each.

NF continues his quest to be the PFVCC's all time most frequent Loner Picker, adding three Loner Pick attempts this week. He’s got a lock on them though, getting two of three right this week with the Titans over the Lions and also the Sunday night shocker of the Vikings over the Packers (sorry MS). Well picked, NF, and keep it up! Week 3 marks the last week before the byes begin, so get your wins early!

Friendly reminder to get your dues in, if you have not already. Thank you!

Have a good week and happy picking.
