

SS Holds On ---Barely

Week 3 Tough on Everyone

Effective date: 2017-09-25

Was SS on the cover of SI? How else do you explain the sudden crummy picking? After an impressive two week 81% winning percentage, SS stumbles to scratch out eight wins and gives ground to BS, LF, MM and MS who mustered nine wins for the week. SS holds on to maintain a one game lead over MS. The true freshman from Southern Utah is not letting his schooling get in the way of his awesome picking.

Some of the highlights go to the aforementioned BS, LF, MM and MS with nine wins this week. For the message board followers you saw a teaser message revealing BS was shooting for career win 5,000 and he got it. BS's week leading nine wins gives him 5,006 career wins, second most in PFVCC history –congrats BS.

We have a big surprise for you next week. We have invited a very special guest writer to entertain the membership for the Week 4 column. I will return for Week 5 and then we'll welcome back our President, JP to the weekly column with his usual witty and insightful comments.

Thursday game this week as we say goodbye to September and welcome in October (sheesh where did the time go!)
