

BS Stays in First With Two Weeks Remaining

KS and CM Nearly Pick Perfection Each Going 15-1

Effective date: 2017-12-18

With the Stretch Drive half completed, BS is holding tight to a one game lead over SS. Week 15 did not produce one GOO between the leader and the hopeful SS. Next week, Week 16, Christmas week, with some challenging games, it may provide some insight to this year's champ. It was reported, SS went to a local mall to visit Santa and share his wish for a ninth championship. Santa seemed amenable and overly jolly.

KS and CM each picked 15 winners and not all the same 15 winners. The last 15 game winner was KB-- Week 17 2016. KS as mentioned last week may finally be making his move. He has moved up in the standings over the past weeks, most recently, this week moving two spots to fourth place. CM the 2014 Champ is hanging around perhaps just waiting to make a dramatic move. CM holds the third spot out by four from BS. LF and MM pick 12 and 13 winners respectively but lose ground. The game just ain't fair!

Four Loner pick's attempts this week but no winners. Forty-two loner attempts this year with only four wins.

No Thursday game but two Saturday games and two Christmas Day games on Monday

The Staff here at PFVCC Headquarters wishes everyone a wonderful Christmas.

Yours in Football
