

WELCOME TO THE 2018 - PRE-SEASON

Will BS Defend His Title? Does LF Have The Chops To Be Our First PIMP?

Effective date: 2018-08-14

We at the PFVCC are very excited and proud to invite you members to the 2018 Season. With the taste of tacos still reminiscent in our minds and breath, we are ready to jump into the next season.

This season we welcome a new face to the membership, PM. PM is so excited to be a part of the membership, he paid his dues at the Pig Dinner. I like the cut of your jib, Sir! Thank you to the other members that paid in advance at the Pig Dinner also.

As revealed at the Pig Dinner, LF is our new PIMP. A management trainee with aspirations of one day becoming President of the PFVCC. LF will spend the season under the watchful eye of the Chairman and President learning the intricate operations of the PFVCC. Good LF - We are pulling for you!

Very soon you will receive an email communication with important information. Namely, how to pay your membership dues and who to contact with any questions.

The first game of the season is Thursday, September 6th.

Good Picking,

-BS
