

BS sweeps differences with SS; extends lead

DP and BD log personal milestones

Effective date: 2018-12-18

Week 15 is done and behind us, which leaves us with two weeks remaining and a storyline that will soon be coming to a close. BS is doing all he can to make sure he comes out on top when its all said and done, posting 10 wins and sweeping the GOO with second place SS has him in a comfortable spot as we head into the final weeks. CM, JP and KS all kept pace with 10 winners to share weekly honors, most notably KS now shares the second spot with SS and they both appear to have their work cut out for them if they want to knockoff BS here in the final lap. But this thing isn't over til it's over....two weeks to go... will BS close this thing out early, or does SS or KS have a trick (and a few picks) up their sleeves...

DP and BD were also worthy of recognition this week as they both reached personal milestones, logging 1100 and 1900 respectively. Congrats to you two on great careers to this point!

In loner news this week DP tried his hand at TB over BAL, but they weren't able to pull it out down the stretch, however we commend your effort sir!

It's coming down to the wire here and as week 16 approaches we wait as the final chapters are written.. 'til next week..

Happy Picking,

LF, The Pimp
