

Welcome to the 2019-2020 Season

New Season, New Expectations, Same Great League

Effective date: 2019-08-17

Welcome Back PFVCC Members!

With just over two weeks 'til the start of this upcoming NFL season we sit and wait anxiously. All headlines remain unwritten, all slates are clean and one can only hope to jump out to a hot start and carry that momentum throughout the season. Who will shine? Who has what it takes to endure the grueling season and come out victorious? Only time will tell...

Best of luck to all, and a reminder that Game 1 is on Thursday September 5th as the Packers head to Chicago to take on the Bears, so lock those picks in!

Still Pimpin'
