

NF in top form with 11 winners to lead the way

LF, CM and SS with 10; LF extends his lead in the process

Effective date: 2022-11-23

Following a brutal week 10, membership needed a “get right” week that was a little more forgiving and could lift the spirits before we had to shift our focus to what we are thankful for. Week 11, although not the flashiest of weeks, was just that as all of membership posted positive numbers in the win column. None more positive than NF who went a blistering 11-3 on the week to prove that he is a force to be reckoned with here in 2022. He now sits in a deadlock for the second spot with BS, which has lead to speculation of some “hallway banter” as the two prep themselves for a run down the stretch. Well done NF, we love the drama! Just behind NF were LF, CM and SS who brought in 10 wins a piece to keep the spirits high. Truly solid performances, but the most impactful for LF on the leaderboard, who pushed his lead to 3 games in the process. A nice spot to be for now, but some would rather be the chasers than the chased.. does LF have the chops to keep the pace or will he run out of steam? There are a handful of members that may have something to say about it..Stay tuned!

Four loners were posted in week 11 and they went like this. DP- a frequent loner flyer, failed to gain any rewards as he went 0-2 behind his LAR and ARZ picks. MM- another loner truther, lost in confidence behind LAC. Finally our lone victor, SS flew high with the Falcons as they knocked off the Bears! 1/1 on the year ain't too shabby SS, well done!

Week 11 is behind us and now we look forward to week 12 which brings us a full slate of Thursday games. Remember to get those picks in by Wednesday and enjoy the day (and football) with your families! Happy Thanksgiving!

Your President,

LF
